

Organization: Children's Home Society

Category/Categories: At-risk children

Description: Children's Home Society provides effective solutions to build and support healthy families for Florida's children. CHS helps loving people become parents through their adoption and foster care programs and enables families to stay together through their child abuse prevention programs.

Volunteer Opportunities: Emergency shelter
Administrative/clerical
Mentor program for pregnant teens and first-time mothers

Important Notes: Volunteers between ages 14-18 for children interaction must volunteer with a parent.
